

ENFORCE TAC⁽⁺⁾

Start a conversation with your target group: Managers, end-users, decision-makers and procurement officers from the police, law enforcement, customs, information and security services, military police and the armed forces, as well as political decision-makers and important representatives from the industry are all eager to see what you have to offer.

Take advantage of the secure environment and confidential atmosphere of Enforce Tac to showcase your sensitive products. As an international platform for professional dialogue among security experts, Enforce Tac is renowned for its high-calibre visitors and exhibitors thanks to strict admission criteria and a meticulous accreditation process.

The online format Enforce Tac TV gives you an additional and highly effective channel to present your products and services to a broad professional audience during and after the event.

Present your solutions for greater security!

NÜRNBERG MESSE

SPECIALISING IN TACTICAL SCENARIOS

OPERATIONAL SOLUTIONS FOR INTERNAL AND EXTERNAL SECURITY

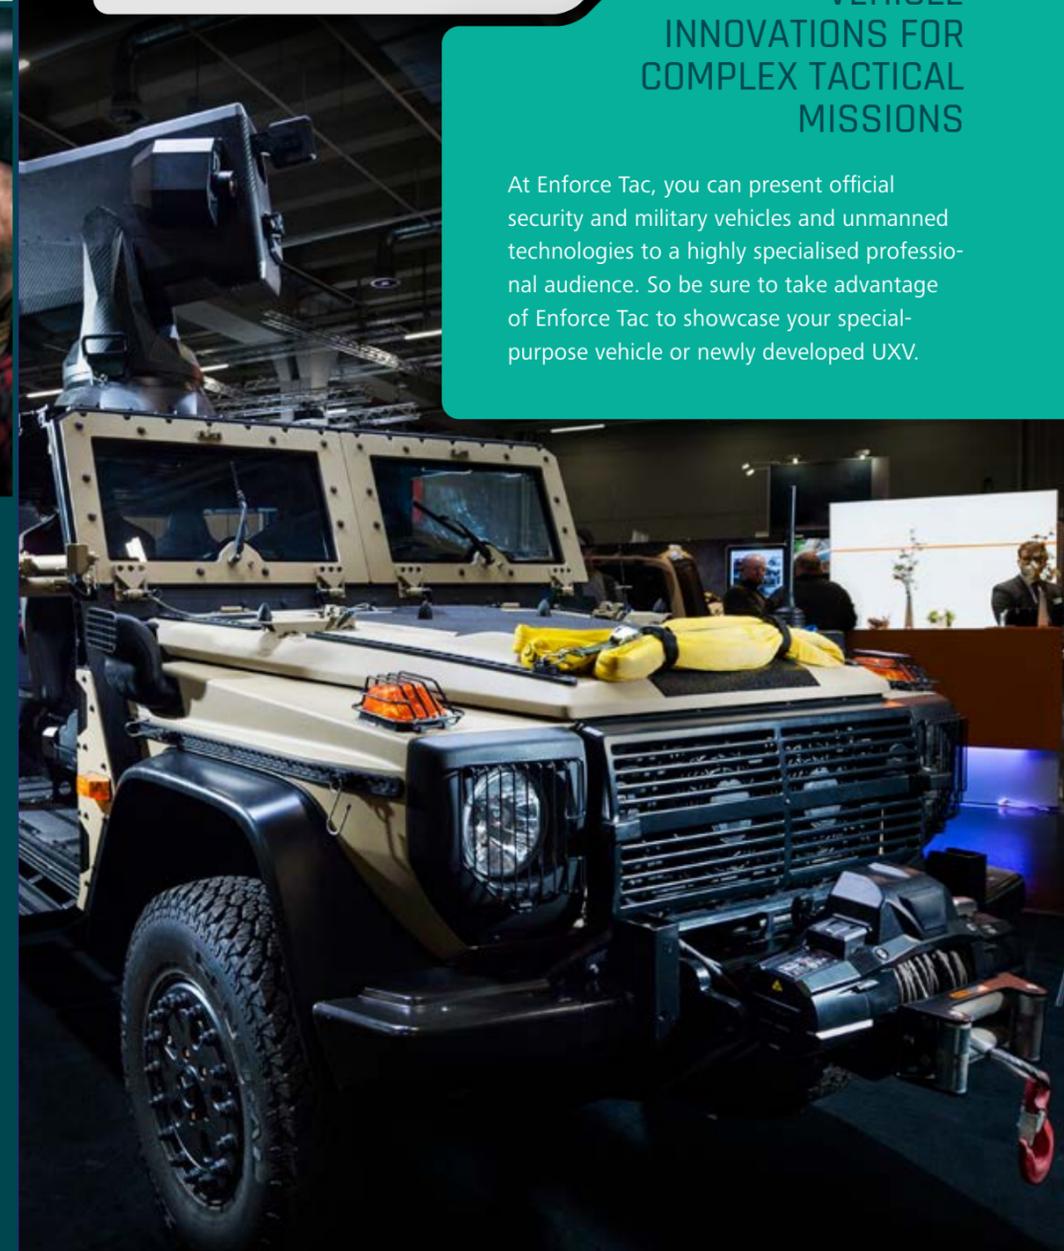

PERSONAL CONTACT AND FOCUSED CONVERSATIONS

The closed exhibition area is complemented by practical workshops and high-calibre congresses. Together they create the ideal environment that brings to life the benefits, innovations, and application areas of your sensitive security products.

Benefit from personal conversations in a confidential atmosphere to establish new contacts and nurture existing relationships.

VEHICLE INNOVATIONS FOR COMPLEX TACTICAL MISSIONS

At Enforce Tac, you can present official security and military vehicles and unmanned technologies to a highly specialised professional audience. So be sure to take advantage of Enforce Tac to showcase your special-purpose vehicle or newly developed UXV.
